#### PART I

#### Item 1. Business

#### General

We are a bank holding company headquartered in Columbus, Indiana with \$155 million of net revenues from continuing operations in 2007 and \$6.2 billion in assets at December 31, 2007. We focus primarily on the extension of credit to small businesses and consumers as well as providing the ongoing servicing of those customer accounts. Through our direct and indirect subsidiaries, we currently operate three major lines of business: commercial banking, commercial finance, and home equity lending. In 2006, we sold the majority of our conforming conventional first mortgage banking business.

We conduct our commercial and consumer lending businesses through various operating subsidiaries. Our banking subsidiary, Irwin Union Bank and Trust Company, was organized in 1871. We formed the holding company in 1972. Our direct and indirect major subsidiaries include Irwin Union Bank and Trust Company, a commercial bank, which together with Irwin Union Bank, F.S.B., a federal savings bank, conducts our commercial banking activities; Irwin Commercial Finance Corporation, a commercial finance subsidiary; and Irwin Home Equity Corporation, a consumer home equity lending company. In 2006, we discontinued the majority of operations at Irwin Mortgage Corporation, our mortgage banking company and formerly one of our major subsidiaries.

Our strategy is to position the Corporation as an interrelated group of specialized financial services companies serving niche markets of small businesses and consumers while optimizing the productivity of our capital. We seek to create competitive advantage within the banking industry by serving small businesses and consumers with lending, leasing, deposit, advisory services and specialized mortgage products. Our strategic objective is to create value through well-controlled, profitable growth by attracting, retaining and developing exceptional management teams at our lines of business and parent company who focus on (i) meeting customer needs rather than simply offering banking products or services, (ii) being cost-efficient in our delivery, and (iii) having strong risk management systems. We believe we must continually balance these three factors in order to deliver long-term value to all of our stakeholders. Our lines of business operate as direct and indirect subsidiaries of Irwin Union Bank and Trust (and, in the case of commercial banking, with Irwin Union Bank, F.S.B.). This structure allows us to offer insured deposits and results in regulatory oversight of our business.

Our Internet address is http://www.irwinfinancial.com

We make available free of charge through our Internet website our annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to those reports as soon as reasonably practicable after we electronically file the material with the Securities and Exchange Commission (SEC). Unless otherwise indicated, our Internet website and the information contained or incorporated in it are not intended to be incorporated into this Annual Report on Form 10-K.

#### Major Lines of Business

# Commercial Banking

Our commercial banking line of business provides credit, cash management and personal banking products primarily to small businesses and business owners. We offer commercial banking services through our banking subsidiaries, Irwin Union Bank and Trust Company, an Indiana state-chartered commercial bank, and Irwin Union Bank, F.S.B., a federal savings bank. The commercial banking line of business offers a full line of consumer, mortgage and commercial loans, as well as personal and commercial checking accounts, savings and time deposit accounts, personal and business loans, credit card services, money transfer services, financial counseling, property, casualty, life and health insurance agency services, trust services, securities brokerage and safe deposit facilities. This line of business operates through two charters, each headquartered in Columbus, Indiana:

• Irwin Union Bank and Trust Company — organized in 1871, is a full service Indiana state-chartered commercial bank with offices currently located throughout nine counties in central and southern Indiana, as

- well as in Grandville (near Grand Rapids), Kalamazoo, Lansing and Traverse City, Michigan; Carson City and Las Vegas, Nevada; and Salt Lake City, Utah.
- Irwin Union Bank, F.S.B is a full-service federal savings bank that began operations in December 2000. Currently we have offices located in Mesa and Phoenix, Arizona; Costa Mesa and Sacramento, California; Louisville, Kentucky; Clayton (near St. Louis), Missouri; Reno, Nevada; Albuquerque, New Mexico; and Milwaukee, Wisconsin. We opened offices in Ohio and Florida in 2007.

We discuss this line of business further in the "Commercial Banking" section of Management's Discussion and Analysis of Financial Condition and Results of Operation (MD&A) of this report.

#### Commercial Finance

Established in 1999, our commercial finance line of business originates small-ticket equipment leases throughout the U.S. and Canada and provides equipment and leasehold improvement financing for franchisees (mainly in the quick service restaurant sector) in the United States The majority of our leases are full payout (no residual), small-ticket assets secured by commercial equipment. We finance a variety of commercial and office equipment types while limiting the industry and geographic concentrations in our lease and loan portfolios. Loans to franchisees often include the financing of real estate as well as equipment. In 2006, this segment expanded its product line to include professional practice financing and information technology leasing to middle and upper middle market companies throughout the United States and Canada

We discuss this line of business further in the "Commercial Finance" section of the MD&A of this report.

#### Home Equity Lending

We established this line of business when we formed Irwin Home Equity Corporation as our subsidiary in 1994, headquartered in San Ramon, California Irwin Home Equity became a subsidiary of Irwin Union Bank and Trust in 2001. The Board of Irwin Union Bank and Trust recently approved the merger of Irwin Home Equity into the Bank. This will not affect our operations, but may result in more favorable tax treatment for the Corporation. In conjunction with Irwin Union Bank and Trust, Irwin Home Equity originates, purchases, securitizes and services first mortgages and home equity loans and lines of credit nationwide. Our target customers are principally creditworthy, homeowners with limited equity in their homes as well as lenders/third parties that can benefit from specialized servicing. We market our first mortgage and home equity offering principally through mortgage brokers and correspondent lenders and also direct to consumers

We discuss this line of business further in the "Home Equity Lending" section of the MD&A of this report.

#### Discontinuance of Mortgage Banking

We discontinued our mortgage banking line of business with the sale of the majority of the assets of Irwin Mortgage Corporation. We sold the production and most of the headquarters operations of this segment in September 2006. We sold the bulk of our portfolio of mortgage servicing rights to multiple buyers, transferring these assets in early January 2007. We sold our servicing platform in January 2007. Prior to the sales, Irwin Mortgage, a subsidiary of Irwin Union Bank and Trust Company, had engaged in the origination, purchase, sale and servicing of conventional and government agency-backed residential mortgage loans. Irwin Mortgage also engaged in the mortgage reinsurance business through its subsidiary, Irwin Reinsurance Corporation, a Vermont Corporation, which we have retained. Irwin Mortgage no longer originates loans but continues to manage and service loans that were not included in the transfer of assets and to manage residual liabilities and responsibilities from prior activities. This segment is accounted for as discontinued operations.

#### **Customer Base**

No single part of our lending business is dependent upon a single borrower or upon a very few borrowers nor would the loss of any one loan customer automatically have a materially adverse effect

upon our business.

We have a number of funding sources which are important to our operations, some of which are customers of our institutions (e.g., depositors) and for some of which we are customers (e.g., lenders) For example, we are a member (and customer) of the Federal Home Loan Bank of Indianapolis, we have a significant Canadian dollar funding facility with a single bank domiciled in Canada, and we have a significant deposit relationship with one of our commercial banking branches. In those instances where we have significant single relationships, on the funding side of the balance sheet, we examine each relationship more intensively than others and have developed contingency plans for the loss of these significant customer relationships. The loss of any one of these significant relationships would require changes to our funding program.

#### Competition

We compete nationally in the U.S. in each business, except for commercial banking where our market focus is in selected markets in the Midwest and Western states. In our commercial finance line of business, certain of our equipment leasing products are also offered throughout Canada. We compete against commercial banks, savings banks, credit unions and savings and loan associations, and with a number of non-bank companies including mortgage banks and brokers, insurance companies, securities firms, other finance companies, and real estate investment trusts.

Some of our competitors are not subject to the same degree of regulation as that imposed on bank holding companies, state banking organizations and federal saving banks. In addition, many larger banking organizations, mortgage companies, mortgage banks, insurance companies and securities firms have significantly greater resources than we do. As a result, some of our competitors have advantages over us in name recognition, cost of funds, operating costs, and market penetration.

## **Employees and Labor Relations**

At January 31, 2008 we and our subsidiaries had a total of 1,256 employees, including full-time and part-time employees. We continue a commitment of equal employment opportunity for all job applicants and staff members, and management regards its relations with its employees as satisfactory.

## Financial Information About Geographic Areas

We conduct part of our commercial finance line of business in Canadian markets. Net revenues for the last three years in this line of business attributable to Canadian customers were \$18 million in 2007, \$17 million in 2006, and \$12 million in 2005. The remainder of our revenues comes from customers and operations in the United States.

#### Supervision and Regulation

#### General

We and our subsidiaries are each extensively regulated under state and federal law. The following is a summary of certain statutes and regulations that apply to us and to our subsidiaries. These summaries are not complete, and you should refer to the statutes and regulations for more information. Also, these statutes and regulations may change in the future, and we cannot predict what effect these changes, if made, will have on our operations.

We are regulated at both the holding company and subsidiary level and are subject to both state and federal examination on matters relating to "safety and soundness," including risk management, asset quality and capital adequacy, as well as a broad range of other regulatory concerns including: insider and intercompany transactions, the adequacy of the reserve for loan losses, regulatory reporting, adequacy of systems of internal controls and limitations on permissible activities.

In addition, we are required to maintain a variety of processes and programs to address other regulatory requirements, including: community reinvestment provisions; protection of customer information; identification of suspicious activities, including possible money laundering; proper identification of customers when performing transactions; maintenance of information and site security; and other bank compliance provisions. In a number of instances board and/or management oversight is required as well as employee training on specific regulations.

Regulatory agencies have a broad range of sanctions and enforcement powers if an institution fails to meet regulatory requirements, including civil money penalties, formal agreements, and cease and desist orders

#### Bank Holding Company Regulation

We are registered as a bank holding company with the Board of Governors of the Federal Reserve System under the Bank Holding Company Act of 1956, as amended, and the related regulations, referred to as the BHC Act. We are subject to regulation, supervision and examination by the Federal Reserve, and as part of this process, we must file reports and additional information with the Federal Reserve.

#### Minimum Capital Requirements

The Federal Reserve imposes risk-based capital requirements on us as a bank holding company. Under these requirements, capital is classified into two categories:

Tier 1 capital, or core capital, consists of

- · common stockholders' equity;
- · qualifying noncumulative perpetual preferred stock;
- qualifying cumulative perpetual preferred stock, and subject to some limitations, our Trust Preferred securities; and
- minority interests in the common equity accounts of consolidated subsidiaries;

#### less

- Accumulated net gains (losses) on cash flow hedges and increase (decrease) recorded in accumulated other comprehensive income (AOCI) for defined benefit postretirement plans under FAS 158
- · goodwill;
- · credit-enhancing interest-only strips (certain amounts only); and
- · specified intangible assets.

Tier 2 capital, or supplementary capital, consists of

- · allowance for loan and lease losses;
- · perpetual preferred stock and related surplus;
- hybrid capital instruments including, to the extent not included in Tier 1 Capital, Trust Preferred securities;
- · unrealized holding gains on equity securities;
- · perpetual debt and mandatory convertible debt securities;
- · term subordinated debt, including related surplus; and
- · intermediate-term preferred stock, including related securities.

The Federal Reserve's capital adequacy guidelines require bank holding companies to maintain a minimum ratio of qualifying total capital to risk-weighted assets of 8 percent, at least 4 percent of which must be in the form of Tier 1 capital. Risk-weighted assets include assets and credit equivalent amounts of off-balance sheet items of bank holding companies that are assigned to one of several risk categories, based on the obligor or the nature of the collateral. The Federal Reserve has established a minimum Tier 1 "leverage" ratio, which is the ratio of Tier 1 capital to total assets (less goodwill and other specified intangible assets), of 3 percent for strong bank holding companies (those rated a composite "1" under the Federal Reserve's rating system). For all other bank holding companies, the minimum Tier 1 leverage ratio is 4 percent. The Federal Reserve considers the Tier 1 leverage ratio in evaluating proposals for expansion or new activities.

As of December 31, 2007, we had regulatory capital in excess of all the Federal Reserve's minimum levels. Our ratio of total capital to risk weighted assets at December 31, 2007 was 12 6% and our Tier 1 leverage ratio was 10.2%.

#### Expansion

Under the BHC Act, we must obtain prior Federal Reserve approval for certain activities, such as the acquisition of more than 5% of the voting shares of any company, including a bank or bank holding company. The BHC Act permits a bank holding company to engage in activities that the Federal Reserve has determined to be so closely related to banking or managing or controlling banks as to be a proper incident to those banking activities, such as operating a mortgage bank or a savings association, conducting leasing and venture capital investment activities, performing trust company functions, or acting as an investment or financial advisor. See the section on "Interstate Banking and Branching" below.

#### Dividends

The Federal Reserve has policies on the payment of cash dividends by bank holding companies. The Federal Reserve believes that a bank holding company experiencing earnings weaknesses should not pay cash dividends (1) exceeding its net income or (2) which only could be funded in ways that would weaken a bank holding company's financial health, such as by borrowing. Also, the Federal Reserve possesses enforcement powers over bank holding companies and their non-bank subsidiaries to prevent or remedy unsafe or unsound practices or violations of applicable statutes and regulations. Among these powers is the ability to prohibit or limit the payment of dividends by banks (including dividends to bank holding companies) and bank holding companies. See discussion of "Dividend Limitations" below.

The Federal Reserve expects us to act as a source of financial strength to our banking subsidiaries and to commit resources to support them. In implementing this policy, the Federal Reserve could require us to provide financial support when we otherwise would not consider ourselves able to do so.

In addition to the restrictions on fundamental corporate actions such as acquisitions and dividends imposed by the Federal Reserve, Indiana law also places limitations on our authority with respect to such activities.

In consideration of the Corporation's recent losses, on February 28, 2008, the Board of Directors elected to defer dividend payments on the Corporation's trust preferred securities and elected to discontinue payment of dividends on its non-cumulative perpetual preferred and common stock. Mindful of regulatory policy and the current economic environment, the Board took these steps to maintain the capital strength of the Corporation at a time of elevated uncertainty in the economy. The Board believes the elevated uncertainty in the current environment demands a greater bias to capital retention on a precautionary basis than distribution of cash from retained earnings for maintenance of historic dividends. The Board will reassess its dividend policy regularly. The ability to pay future dividends is subject to the regulatory restrictions referenced above and in the discussion in the section on "Dividend Limitations" below.

#### Bank and Thrift Regulation

Indiana law subjects Irwin Union Bank and Trust and its subsidiaries to supervision and examination by the Indiana Department of Financial Institutions. Irwin Union Bank and Trust is a member of the Federal Reserve System and, along with its subsidiaries, is also subject to regulation, examination and supervision by the Federal Reserve Each of the principal subsidiaries of Irwin Union Bank and Trust are routinely subject to examination

Irwin Union Bank, F.S.B., a direct subsidiary of the bank holding company, is a federally chartered savings bank. Accordingly, it is subject to regulation, examination and supervision by the Office of Thrift Supervision (OTS).

The deposits of Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. are insured by the Deposit Insurance Fund of the Federal Deposit Insurance Corporation (FDIC) to the maximum extent permitted by law, which is currently \$100,000 per depositor for all accounts in the same title and

capacity, other than individual retirements accounts, certain eligible deferred compensation plans, and so-called Keogh plans or HR  $\,10$  plans, which currently

are insured up to a maximum of \$250,000 per participant in the aggregate, such maximums in each case to be adjusted for inflation beginning in 2010. As a result, Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. are subject to FDIC supervision and regulation.

Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. must file reports with the Federal Reserve and the OTS, respectively, and with the FDIC concerning their activities and financial condition. Also, before establishing branches or entering into certain transactions such as mergers with, or acquisitions of, other financial institutions, Irwin Union Bank and Trust must obtain regulatory approvals from the Indiana Department of Financial Institutions and the Federal Reserve, and Irwin Union Bank, F.S.B. must obtain approval from the OTS.

#### Capital Requirements

The Federal Reserve imposes requirements on state member banks such as Irwin Union Bank and Trust regarding the maintenance of adequate capital substantially identical to the capital regulations applicable to bank holding companies described in the section on "Bank Holding Company Regulation — Minimum Capital Requirements" While retaining the authority to set capital ratios for individual banks, these regulations prescribe minimum total risk-based capital, Tier 1 risk-based capital and leverage (Tier 1 capital divided by average total assets) ratios. The Federal Reserve requires banks to hold capital commensurate with the level and nature of all of the risks, including the volume and severity of problem loans, to which they are exposed.

As with the regulations applicable to bank holding companies, the Federal Reserve requires all state member banks to meet a minimum ratio of qualifying total capital to weighted risk assets of 8 percent, of which at least 4 percent should be in the form of Tier 1 capital.

The minimum ratio of Tier 1 capital to total assets, or the leverage ratio, for banking institutions rated composite "1" under the uniform rating system of banks and not experiencing or anticipating significant growth is 3 percent. For all other institutions, the minimum ratio of Tier 1 capital to total assets is 4 percent. Banking institutions with supervisory, financial, operational, or managerial weaknesses are expected to maintain capital ratios well above the minimum levels, as are institutions with high or inordinate levels of risk. Banks experiencing or anticipating significant growth are also expected to maintain capital, including tangible capital positions, well above the minimum levels. A majority of such institutions generally have operated at capital levels ranging from 1 to 2 percent above the stated minimums. Higher capital ratios could be required if warranted by the particular circumstances or risk profiles of individual banks. The standards set forth above specify minimum supervisory ratios based primarily on broad credit risk considerations. Banks, including ours, are generally expected to operate with capital positions above the minimum ratios.

At December 31, 2007, Irwin Union Bank and Trust had a total risk-based capital ratio of 12.5%, compared to our internal Policy minimum of 12%. Irwin Union Bank and Trust had a Tier 1 capital ratio of 10.7%, and a leverage ratio of 10.6%.

The risk-based capital guidelines also provide that an institution's exposure to declines in the economic value of the institution's capital due to changes in interest rates must be considered as a factor by the agencies in evaluating the capital adequacy of a bank or savings association. This assessment of interest rate risk management is incorporated into the banks' overall risk management rating and used to determine management's effectiveness.

## Insurance of Deposit Accounts

As FDIC-insured institutions, Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. are required to pay deposit insurance premiums based on the risk they pose to the Deposit Insurance Fund. As a result of the Federal Deposit Insurance Reform Act of 2005, the FDIC adopted a revised risk-based assessment system to determine assessment rates to be paid by member institutions such as Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. Under this revised assessment system, risk is defined and measured using an institution's supervisory ratings with certain other risk measures, including certain financial ratios. The annual rates for 2007 for institutions in risk category I range from 5 to 7 basis points; the rate for institutions in risk category II is 10 basis points; and the rate for institutions in risk category III is 28 basis points. These rates may be offset by a one-time assessment credit held by an institution, based on the assessment base of that institution as of December 31, 1996,

and in the future by

dividends that may be declared by the FDIC if the deposit reserve ratio increases above a certain amount. The FDIC may raise or lower these assessment rates based on various factors to achieve a reserve ratio, which the FDIC currently has set at 1.25 percent of insured deposits.

In addition to deposit insurance fund assessments, the FDIC assesses all insured deposits a special assessment to fund the repayment of debt obligations of the Financing Corporation (FICO). FICO is a government-sponsored entity that was formed to borrow the money necessary to carry out the closing and ultimate disposition of failed thrift institutions by the Resolution Trust Corporation. At December 31, 2007, the annualized rate established by the FDIC for the FICO assessment was 1.14 basis points (0.00014%) per \$100 of insured deposits.

#### Dividend Limitations

Under Indiana law, certain dividends require notice to, or approval by, the Indiana Department of Financial Institutions, and Irwin Union Bank and Trust may not pay dividends in an amount greater than its net profits then available, after deducting losses and bad debts.

In addition, as a state member bank, Irwin Union Bank and Trust may not, without the approval of the Federal Reserve, declare a dividend if the total of all dividends declared in a calendar year, including the proposed dividend, exceeds the total of its net income for that year, combined with its retained net income of the preceding two years, less any required transfers to the surplus account. As a result of our losses in 2007, the bank cannot declare a dividend to us without regulatory approval until such time that current year earnings plus earnings from the last two years exceeds dividends during the same periods. We sought and were granted such approval for a \$15 million dividend in the second quarter of 2007. Our ability to pay dividends on our Trust Preferred, non-cumulative perpetual preferred, and common stock is dependent on our ability to dividend from Irwin Union Bank and Trust, for which prior approval would be necessary.

In consideration of the Corporation's recent losses, on February 28, 2008, the Board of Directors elected to defer dividend payments on the Corporation's trust preferred securities and elected to discontinue payment of dividends on its non-cumulative perpetual preferred and common stock. See the discussion above on "Dividends" in the section on "Bank Holding Company Regulation."

In most cases, savings and loan associations, such as Irwin Union Bank, F.S.B., are required either to apply to or to provide notice to the OTS regarding the payment of dividends. The savings association must seek approval if it does not qualify for expedited treatment under OTS regulations, or if the total amount of all capital distributions for the applicable calendar year exceeds net income for that year to date plus retained net income for the preceding two years, or the savings association would not be adequately capitalized following the dividend, or the proposed dividend would violate a prohibition in any statute, regulation or agreement with the OTS. In other circumstances, a simple notice is sufficient

Our ability and the ability of Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. to pay dividends also may be affected by the various capital requirements and the prompt corrective action standards described below under "Other Safety and Soundness Regulations." Our rights and the rights of our shareholders and our creditors to participate in any distribution of the assets or earnings of our subsidiaries also is subject to the prior claims of creditors of our subsidiaries including the depositors of a bank subsidiary

#### Interstate Banking and Branching

Under federal law, banks are permitted, if they are adequately or well-capitalized, in compliance with Community Reinvestment Act requirements and in compliance with state law requirements (such as age-of-bank limits and deposit caps), to merge with one another across state lines and to create a main bank with branches in separate states After establishing branches in a state through an interstate merger transaction, a bank may establish and acquire additional branches at any location in the state where any bank involved in the interstate merger could have established or acquired branches under applicable federal and state law

As a federally chartered savings bank, Irwin Union Bank, F.S.B. has greater flexibility in pursuing interstate branching than an Indiana state bank. Subject to certain exceptions, a federal savings

association generally may

establish or operate a branch in any state outside the state of its home office if the association meets certain statutory requirements

#### Community Reinvestment

Under the Community Reinvestment Act (CRA), banking and thrift institutions have a continuing and affirmative obligation, consistent with their safe and sound operation, to help meet the credit needs of their entire communities, including low- and moderate-income neighborhoods. Institutions are rated on their performance in meeting the needs of their communities. Performance is tested in three areas: (a) lending, which evaluates the institution's record of making loans in its assessment areas; (b) investment, which evaluates the institution's record of investing in community development projects, affordable housing and programs benefiting low or moderate income individuals and business; and (c) service, which evaluates the institution's delivery of services through its branches. ATMs and other activities. The CRA requires each federal banking agency, in connection with its examination of a financial institution, to assess and assign one of four ratings to the institution's record of meeting the credit needs of its community and to take this record into account in evaluating certain applications by the institution, including applications for charters, branches and other deposit facilities, relocations, mergers, consolidations, acquisitions of assets or assumptions of liabilities, and savings and loan holding company acquisitions. Irwin Union Bank and Trust received a "satisfactory" rating, and Irwin Union Bank, F.S.B received an "outstanding" rating, on their most recent CRA performance evaluations.

# Other Safety and Soundness Regulations

Under current law, the federal banking agencies possess broad powers to take "prompt corrective action" in connection with depository institutions that do not meet minimum capital requirements. The law establishes five capital categories for insured depository institutions for this purpose: "wellcapitalized," "adequately capitalized," "undercapitalized," "significantly undercapitalized" and "critically undercapitalized." To be considered "well-capitalized" under these standards, an institution must maintain a total risk-based capital ratio of 10% or greater; a Tier 1 risk-based capital ratio of 6% or greater; a leverage capital ratio of 5% or greater; and not be subject to any order or written directive to meet and maintain a specific capital level for any capital measure. An "adequately capitalized" institution must have a Tier 1 capital ratio of at least 4%, a total capital ratio of at least 8% and a leverage ratio of at least 4%. Federal savings banks must meet three minimum capital standards: an 8% risk-based capital ratio, a 4% leverage ratio (or 3% for those assigned a composite rating of 1), and a 1.5% tangible capital ratio. Federal law also requires the bank regulatory agencies to implement systems for "prompt corrective action" for institutions that fail to meet minimum capital requirements within the five capital categories, with progressively more severe restrictions on operations, management and capital distributions according to the category in which an institution is placed. Failure to meet capital requirements can also cause an institution to be directed to raise additional capital Federal law also mandates that the agencies adopt safety and soundness standards relating generally to operations and management, asset quality and executive compensation, and authorizes administrative action against an institution that fails to meet such standards.

#### Brokered Deposits

Brokered deposits include funds obtained, directly or indirectly, by or through a deposit broker for deposit into one or more deposit accounts. Well-capitalized institutions are not subject to limitations on brokered deposits, while an adequately capitalized institution is able to accept, renew or rollover brokered deposits only with a waiver from the FDIC and subject to certain restrictions on the yield paid on such deposits. Undercapitalized institutions are not permitted to accept brokered deposits. Due to its capital ratios, Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. are permitted to, and do, accept brokered deposits.

## Anti-Money Laundering Laws

Irwin Union Bank and Trust and Irwin Union Bank, F.S.B. are subject to the Bank Secrecy Act and its implementing regulations and other anti-money laundering laws and regulations, including the USA PATRIOT Act of 2001. Among other things, these laws and regulations require Irwin Union Bank and Trust and Irwin Union Bank F.S.B to take steps to prevent the use of each institution for

facilitating the flow of illegal or illicit money, to report

large currency transactions and to file suspicious activity reports. Each bank also is required to develop and implement a comprehensive anti-money laundering compliance program. Banks also must have in place appropriate "know your customer" policies and procedures. Violations of these requirements can result in substantial civil and criminal sanctions. In addition, provisions of the USA PATRIOT Act require the federal financial institution regulatory agencies to consider the effectiveness of a financial institution's anti-money laundering activities when reviewing bank mergers and bank holding company acquisitions

## Compliance with Consumer Protection Laws

The lending activities of Irwin Union Bank and Trust and its subsidiaries, Irwin Commercial Finance and Irwin Home Equity, are regulated by the Federal Reserve. Federal Reserve regulations and policies, such as restrictions on affiliate transactions and real estate lending policies relating to asset quality and prudent underwriting of loans, apply to our residential lending activities. The Indiana Department of Financial Institutions has comparable supervisory and examination authority over Irwin Commercial Finance and Irwin Home Equity due to their status as subsidiaries of Irwin Union Bank and Trust.

Our subsidiaries also are subject to federal and state consumer protection and fair lending statutes and regulations including the Equal Credit Opportunity Act, the Fair Housing Act, the Truth in Lending Act, the Truth in Savings Act, the Real Estate Settlement Procedures Act and the Home Mortgage Disclosure Act. In many instances, these acts contain specific requirements regarding the content and timing of disclosures and the manner in which we must process and execute transactions. Some of these rules provide consumers with rights and remedies, including the right to initiate private litigation. Specifically, these acts, among other things:

- · require lenders to disclose credit terms in meaningful and consistent ways;
- · prohibit discrimination against an applicant in any consumer or business credit transaction;
- prohibit discrimination in housing-related lending activities;
- require certain lenders to collect and report applicant and borrower data regarding loans for home purchases or improvement projects;
- require lenders to provide borrowers with information regarding the nature and cost of real estate settlements;
- prohibit certain lending practices and limit escrow account amounts with respect to real estate transactions; and
- prescribe possible penalties for violations of the requirements of consumer protection statutes and regulations

In addition, banking subsidiaries are subject to a number of federal and state regulations that offer consumer protections to depositors, including account terms and disclosures, funds availability and electronic funds transfers.

As part of the home equity line of business in conjunction with its subsidiary, Irwin Home Equity, Irwin Union Bank and Trust originates home equity loans through its branch in Carson City, Nevada Irwin Union Bank and Trust uses interest rates and loan terms in its home equity loans and lines of credit that are authorized by Nevada law, but might not be authorized by the laws of the states in which the borrowers are located. As a state member bank insured by the FDIC, Irwin Union Bank and Trust is authorized by Section 27 of the FDIA to charge interest at rates allowed by the laws of the state where the bank is located, including at a branch located in a state other than the Bank's home state, regardless of any inconsistent state law, and to apply these rates to loans to borrowers in other states Irwin Union Bank and Trust relies on Section 27 of the FDIA and the FDIC opinion in conducting its home equity lending business described above. Any change in Section 27 of the FDIA or in the FDIC's interpretation of this provision, or any successful challenge as to the permissibility of these activities, could require that we change the terms of some of our loans or the manner in which we conduct our home equity line of business.

Irwin Union Bank and Trust entered into a memorandum of understanding with the Federal Reserve Bank of Chicago as of March 1, 2007 to enhance the consumer compliance function and

compliance oversight programs of the Bank and its subsidiaries. Under the memorandum of understanding, which is considered an informal

### ARTICLE II ELIGIBLE LOANS; LOAN REVIEW

### Section 2.01 Eligible Loans

Only those Mortgage Loans that comply fully with the Underwriting Guidelines and with all of the terms and conditions of this Agreement and the Correspondent Partner Manual are eligible for purchase under this Agreement. Notwithstanding anything to the contrary in this Agreement, Purchaser has the right, without prior notice to Seller, to cease accepting loan submissions for Loans in jurisdictions

which have enacted laws or in which cases have been decided that Purchaser, in its sole discretion, believes to be unduly burdensome or places Purchaser in high risk.

### Section 2.02 Loan Pre-Approval

From time to time, Seller may present loan applications to Purchaser for Purchaser's preapproval prior to Seller's commitment to extend credit. With respect to each Loan for which Seller desires to obtain Purchaser's preapproval, Seller shall submit to Purchaser: (i) a completed underwriting and transmittal summary in the form required by Purchaser, a sample of which is provided in the Correspondent Partner Manual; (ii) a completed loan application; (iii) a credit report; and (iv) such other documents required by the Purchaser, as stated in the Correspondent Partner Manual. Upon receipt and review of these items by Purchaser, Purchaser may, in its sole discretion, conditionally preapprove the Mortgage Loan and may, at its sole discretion, issue a written commitment for such a preapproved Mortgage Loan. Seller acknowledges and understands that such preapproval is conditional only and that Purchaser shall have no obligation to purchase such Loan unless such Loan is closed and submitted for purchase in accordance with Section 2.03 and Purchaser thereafter elects, in its sole discretion, to purchase such Loan. Furthermore, in order for any commitment issued by Purchaser under this Section 2.02 to apply, the Loan must be closed and submitted to Purchaser in accordance with Section 2.03 within the time specified in such commitment.

#### Mortgage Loan Review and Approval Section 2.03

- (a) From time to time, Seller will present closed Mortgage Loans to the Purchaser that the Seller proposes to sell to the Purchaser under the terms of this Agreement. Notwithstanding anything to the contrary, in the event of a Defect under Section 6.01 (d) above or a Defect with respect to a High Cost Loan, the Seller may not cure such Defect.

### Section 6.02 Repurchase of Mortgage Loan

Į.

The Seller agrees that, if a Defect occurs under the terms of Section 6.01 and cannot be cured, it will repurchase the Mortgage Loan to which the Defect relates within fifteen (15) days of receipt of written notice from Purchaser or the expiration of the 45-day curing period discussed in Section 6.01, whichever is later, at a price equal to the sum of:

- (a) 100% of the unpaid principal balance of such Mortgage Loan at the Repurchase Date; or in the event Purchaser purchased the Mortgage Loan at a Discount Rate, the Purchase Price for such Loan, less the aggregate amount of principal paid to Purchaser on such Mortgage Loan as of the Repurchase Date;

### Section 6.03 Repurchase of High Cost Loans

- 2. No settlement of action against Purchaser shall be made without the consent of Seller so long as indemnification continues to be sought.

This indemnification shall survive the Sale Date and shall not be limited by any due diligence or other investigation undertaken by Purchaser.

## Section 6.05 Remedy to Ensure Accuracy of Real Estate Appraisals

Purchaser may, within 120 days after the Sale Date and at its own expense, verify the accuracy of drive-by or full appraisals prepared in connection with any Loan by ordering a reappraisal of the Mortgaged Property. In determining the appropriate appraisal value, any review appraisar selected pursuant to this Section 6.03 shall determine the appraised value as of the original appraisal date using comparable sales that were available as of the date of the original appraisal. If the new appraisal obtained by Purchaser indicates a fair market value of more than ten percent (10%) less than the original appraisal value, then upon receipt by Seller of a signed copy of the new appraisal from Purchaser, Seller shall repurchase the Loan at the repurchase price described in Section 6.02 above and reimburse Purchaser for the cost of the appraisal. NOW, THEREFORE, in consideration of the mutual agreements hereinafter set forth, and for other good and reasonable consideration, the receipt and adequacy of which each party hereby acknowledges hereto, the Seller and the Purchaser hereby agree as follows:

- A. This Addendum shall be effective as of September 18, 2006 ("Effective Date") and apply to all Mortgage Loans funded on or after the Effective Date.
- B. The Non-Standard Loans Addendum is terminated in its entirety and shall be of no further force and effect as of the Effective Date.
- C. The definition for "Underwriting Guidelines" in Article I is modified in its entirety to read as follows:

<u>Underwriting Guidelines</u>: The loan underwriting guidelines mutually agreed upon by Seller and Purchaser and attached as Exhibit B.

Section 6.01(d) is modified in its entirety to read as follows:

D.

Regardless of whether payment is subsequently paid by the Mortgagor, (i) the Mortgage Loan has been thirty (30) or more days delinquent at least once prior to the Sale Date, (ii) the Mortgago Loan is thirty (30) or more days delinquent as of the Sale Date, (iii) the Mortgagor fails to make any of the first, second or third payment due to the Purchaser after the Sale Date within thirty (30) days of each Monthly Payment Due Date or (iv) any payment made in the form of a check is returned for insufficient funds thus causing (i), (ii) or (iii) to occur;

E. Section 7.03(a) is modified in its entirety to read as follows:

In the event a Mortgage Loan is paid off in full during the first ninety (90) days following the Sale Date of such Loan, Seller shall be obligated to pay the Purchaser, within thirty (30) days following Seller's receipt of reasonable documentation confirming the prepayment, the Premium paid by Purchaser for such Loan; provided, however, this Premium recapture requirement shall not apply to any Mortgage Loan that is paid off pursuant to a refinance loan made by Purchaser or its affiliates. Seller understands and agrees that if such prepaid Mortgage Loan contains a prepayment penalty, then Purchaser shall be entitled to such prepayment penalty pursuant to the terms and conditions of the Mortgage Note. The Purchaser agrees to recapture the Premium from the proceeds of the prepayment penalty first and then from the Seller if there is any deficient balance.

- F. Any capitalized words or phrases used and not defined in this Addendum shall have the meanings ascribed to them in the Agreement.
- G. All provisions of the Agreement, except as modified by this Addendum, shall remain in full force and effect. In the event of any conflict, inconsistency, or incongruity between any provision of this Addendum and any provision of the Agreement, the provisions of this Addendum shall govern and control.

Re:

Invoice #: 22007

Dear Sheila:

This letter will serve as a written request for Freedom Mortgage to repurchase the above referenced mortgage loans under the terms of the Correspondent Loan Purchase and Sale Agreement dated as of December 11, 2003, as amended by that certain Addendum with an effective date as of September 1, 2006.

A prior request for research of these loans was sent to you on February 2, 2007. This letter and invoice represent the remaining population after the research was conducted.

Irwin Union Bank purchased said loans on between October 13, 2006 and November 11, 2006. Subsequent to the purchase of the loans, the following Defect under the terms of Article VI of the Agreement occurred: the Mortgagor fails to make any of the first, second or third payment due to the Purchaser after the Sale Date within thirty (30) days of each Monthly Payment Due Date. This is deemed a breach of warranty/covenant under Article VI, Section 6.01 (d). There is no cure for an initial payment default.

The amount to repurchase these loans is set forth in the attached Excel spreadsheet.

If the payoff is not received by March 1, 2007, additional interest per day will be due. The additional per diem cost is included in the Excel spreadsheet.

Re:

Invoice #: 42007

Dear April:

This letter will serve as a written request for Freedom Mortgage to repurchase the above referenced mortgage loans under the terms of the Correspondent Loan Purchase and Sale Agreement dated as of December 11, 2003, as amended by that certain Addendum with an effective date as of September 18, 2006.

Irwin Union Bank purchased said loans on between November 7, 2006 and December 29th, 2006. Subsequent to the purchase of the loans, the following Defect under the terms of Article VI of the Agreement occurred: the Mortgagor fails to make any of the first, second or third payment due to the Purchaser after the Sale Date within thirty (30) days of each Monthly Payment Due Date. This is deemed a breach of warranty/covenant under Article VI, Section 6.01 (d). There is no cure for an initial payment default.

Re: Invoice #: 51107

Dear April:

This letter will serve as a written request for Freedom Mortgage to repurchase the above referenced mortgage loans under the terms of the Correspondent Loan Purchase and Sale Agreement dated as of December 11, 2003, as amended by that certain Addendum with an effective date as of September 18, 2006.

Irwin Union Bank purchased said loans on between October 13, 2006 and February 2, 2007. Subsequent to the purchase of the loans, the following Defect under the terms of Article VI of the Agreement occurred; the Mortgagor fails to make any of the first, second or third payment due to the Purchaser after the Sale Date within thirty (30) days of each Monthly Payment Due Date. This is deemed a breach of warranty/covenant under Article VI, Section 6.01 (d). There is no cure for an initial payment default.

The amount to repurchase these loans is set forth in the attached Excel spreadsheet.

If the payoff is not received by May 31, 2007, additional interest per day will be due. The additional per diem cost is included in the Excel spreadsheet.

Re: Invoice #: 61407

Dear Suzanne:

This letter will serve as a written request for Freedom Mortgage to repurchase the above referenced mortgage loans under the terms of the Correspondent Loan Purchase and Sale Agreement dated as of December 11, 2003, as amended by that certain Addendum with an effective date as of September 18, 2006.

Irwin Union Bank purchased said loans on between November 13, 2006 and February 2, 2007. Subsequent to the purchase of the loans, the following Defect under the terms of Article VI of the Agreement occurred; the Mortgagor fails to make any of the first, second or third payment due to the Purchaser after the Sale Date within thirty (30) days of each Monthly Payment Due Date. This is deemed a breach of warranty/covenant under Article VI, Section 6.01 (d). There is no cure for an initial payment default.

The amount to repurchase these loans is set forth in the attached Excel spreadsheet.

If the payoff is not received by June 30, 2007, additional interest per day will be due. The additional per diem cost is included in the Excel spreadsheet.

RE: Correspondent Loan Purchase and Sale Agreement dated December 11, 2003 (the "Agreement") - Notice of Breach

Dear Mr. Altman:

Pursuant to Sections 6.01 and 6.02 of the Agreement, Irwin Union Bank and Trust Company and Irwin Home Equity Corporation (collectively, "Irwin) hereby provide notice that Freedom Mortgage Corporation ("Freedom") has breached certain representations and warranties made in Section 5.02 of the Agreement with respect to the loans detailed in Exhibit A. These breaches qualify as Defects under Section 6.01, including under subparts (a) and (c).

Irwin believes that most, if not all, of these Defects are incurable. Irwin therefore demands that Freedom repurchase these loans.

We look forward to your prompt response.

Sincerely,

First Vice President and General Counsel

BUTY & CURLIANO LLP ATTORNEYS AT LAW 555 12" ST., BUTE 1260 OAKLAND CA 64667 510.267.3000

PLEASE TAKE NOTICE that on April 23, 2008, at 9:00 a.m., or as soon thereafter as this matter may be heard in Courtroom 3 of the above-entitled Court located at 450 Golden Gate Ave., San Francisco, California 94102, Defendant FREEDOM MORTGAGE CORPORATION ("FREEDOM") will and does hereby move the Court for an order (1) dismissing this action with prejudice or, in the alternative, staying this action pending the completion of the binding arbitration, and (2) compelling Plaintiffs IRWIN UNION BANK AND TRUST COMPANY and IRWIN HOME EQUITY CORPORATION (the "IRWIN ENTITIES") to arbitrate all causes of action alleged in their Complaint against FREEDOM, filed on January 22, 2008.

This motion and petition are made pursuant to Rules 12(b)(1) and 12(b)(6) of the Federal Rules of Civil Procedure, Sections 3 and 4 of the Federal Arbitration Act (9 U.S.C. §§ 1-16) and the California Arbitration Act (Cal.C.Civ.Pro. §§ 1280-1294.2), on the grounds that the claims in this action relate to a contract, to which the IRWIN ENTITIES and FREEDOM are parties, and which contains a valid and enforceable arbitration clause estopping the IRWIN ENTITIES from avoiding arbitration by bringing this suit against FREEDOM for claims relating to that contract.

This motion and petition is based on this notice and motion, the concurrently filed memorandum of points and authorities, declaration of David Altman and exhibits thereto, the pleadings and records on file herein, and such other and further argument as may be presented and allowed by the Court at the time of the hearing.

FREEDOM MORTGAGE CORPORATION

#### MEMORANDUM OF POINTS AND AUTHORITIES

#### I. INTRODUCTION

Defendant Freedom Mortgage Corporation ("Freedom") respectfully requests this Court to issue an order dismissing this action (or in the alternative, staying this action), and an order compelling Plaintiffs Irwin Union Bank And Trust Company ("Irwin Union") and Irwin Home Equity Corporation ("IHE") (and collectively, the "Irwin Entities") to arbitrate all of the claims asserted in the Complaint filed by them on January 22, 2008 (the "Complaint") before the National Arbitration Forum, based on the provisions of the contract upon which all of those claims are based. That contract, entitled "Correspondent Loan Purchase and Sale Agreement" and dated December 11, 2003 (the "IHE Agreement"), to which both Freedom and the Irwin Entities are parties, provides that the parties to it have the right to demand that any claims arising out of or relating to the IHE Agreement be resolved by binding arbitration in California. Under these circumstances, Rules 12(b)(1) and 12(b)(6) of the Federal Rules of Civil Procedure, Sections 3 and 4 of the Federal Arbitration Act (9 U.S.C. §§ 1-16) and the California Arbitration Act (Cal.C.Civ.Pro. §§ 1280-1294.2) dictate that (1) this action be dismissed (or in the alternative, stayed), and (2) the Irwin Entities be compelled to arbitrate their claims in this action in binding arbitration.

#### II. STATEMENT OF ISSUES TO BE DECIDED

This motion presents two issues to be decided by the Court:

- (1) whether this action should be dismissed with prejudice or, in the alternative, stayed pending the completion of binding arbitration; and
- (2) whether the IRWIN ENTITIES should be compelled to arbitrate all causes of action alleged in their Complaint against FREEDOM.

#### III. ARGUMENT

#### A. Factual and Procedural Background

On or about December 11, 2003, the Irwin Entities entered into the IHE Agreement with their sister company, Irwin Mortgage Corporation ("IMC"). IMC is a wholly-owned subsidiary of

Irwin Financial Corporation ("IFC"), and a member of the Irwin family of companies founded by IFC.

The IHE Agreement confers upon IMC the right to sell mortgage loans to the Irwin Entities under the terms and subject to the conditions set forth therein. The IHE Agreement obliges (1) the Irwin Entities to purchase those loans per the Agreement's terms and conditions, and (2) IMC to repurchase certain of the mortgage loans under conditions specified in the Agreement. The parties to the IHE Agreement entered into two addenda modifying it on January 6, 2004 and February 12, 2004 (the "2004 Addenda"). (See the IHC Agreement, followed by the 2004 Addenda, attached as Exhibit A to the Declaration of David Altman in support of this motion, dated March 12, 2008 and filed herewith (the "Altman Decl.")).

The IHE Agreement provides in Article VIII, § 8.09, as follows:

#### Section 8.09 Arbitration

Upon written request by either party that is submitted according to the applicable rules for arbitration, any claim, demand or cause of action, which arises out of or is related to this Agreement [], may be resolved by binding arbitration in the State of California, in accordance with (i) the Federal Arbitration Act; (ii) the Code of Procedure [] of the National Arbitration Forum [] and (iii) this Agreement which shall control any inconsistency between it and the Code.

(Altman Decl. Exh. A at 22.) In addition, the IHE Agreement provides that California law governs all questions concerning the interpretation and performance of its terms. (*Id.*, Article VIII, Section 8.11 "Forum; Governing Law".)

On August 7, 2006, Freedom, IMC and IFE entered into an Asset Purchase Agreement by which Freedom purchased from IMC and IFE substantially all of IMC's assets comprising one of IMC's businesses, including the IHE Agreement. In September 2006, IMC and Freedom executed an Assignment and Assumption Agreement relating to the assets Freedom had purchased dated as of September 18, 2006. (See Altman Decl. Exh. B, Assignment and Assumption Agreement dated as of September 18, 2006.) On September 29, 2006, the Irwin Entities executed a Consent to the assignment of the IHE Agreement, making Freedom a party to the IHE Agreement as modified by the 2004 Addenda. (See Altman Decl. Exh. C, Consent to Assignment executed on September 29,

NOTICE OF MOTION AND MOTION OF FREEDOM MTG. CORP. TO DISMISS OR STAY ACTION AND FOR AN ORDER COMPELLING ARBITRATION [FRCP RULE 12(b)] [9 U.S.C. §§ 3-4]

CASE NO. C08-00472 PJH

2006). There is a purported 2006 Addendum to the IHE Agreement, which is in dispute, but it does not affect the IHE Agreement's arbitration provision. (See Altman Decl. Exh. D).

The Complaint alleges that the Addendum modified the terms of the IHE Agreement, and that under such modified terms Freedom is obligated to repurchase loans that the Irwin Entities have deemed to have "Defects" as that term is defined by the two documents, for an amount exceeding \$8.3 million. (Complaint, at 2:22-6:14.) Each of the claims in the Complaint – two for breach of the IHE Agreement and one for negligence – derive from these allegations. (See *id.* at 6:15-8:16.)

Simultaneously with this motion, pursuant to the IHE Agreement Freedom is filing a claim with the National Arbitration Forum (the "NAF"), the arbitration forum designated in the IHE Agreement. In the arbitration, Freedom seeks an order declaring the purported Addendum void and unenforceable because it was procured by fraud and economic duress, and because it is not supported by consideration. Freedom's claim will annex the Complaint and seek a declaration of all rights concerning this action.

## B. This Court Should Dismiss this Action.

Under the circumstances present here, a dismissal or stay of this case is appropriate because Freedom has a direct right under the IHE Agreement to compel Defendants to arbitrate all of the claims raised in the Complaint. Freedom therefore moves the Court for an order dismissing this action or, in the alternative, staying this action in favor of the arbitration process.

A motion to dismiss, or in the alternative, to stay the action, is an appropriate response to a complaint. "A trial court may ... note the inadequacy of a complaint and dismiss it for failure to state a claim" under Rule 12(b)(6) when an "arbitration clause [is] broad enough to bar all of the plaintiff's claims ..." Sparling v. Hoffman Constr. Co., 864 F.2d 635, 638 (9th Cir., 1988) (citation omitted); see also, Alford v. Dean Witter Reynolds, Inc., 975 F.2d 1161, 1164 (5th Cir., 1992) ("The weight of authority clearly supports dismissal of the case when all of the issues raised in the district court must be submitted to arbitration."); 24 Hour Fitness, Inc. v. Cal.App.4th 1199, 1208 (1998) ("Because the only issue presented ... was covered by the arbitration agreement, it was not error to dismiss the suit.").

There is no compelling reason for this Court to retain jurisdiction over this case and it should be dismissed. See Alford, 975 F.2d at 1164; 24 Hour Fitness, 66 Cal.App.4th at 1208. However, if the Court declines to dismiss for any reason, the Court should stay this action pending the completion of arbitration of the issues implicated in the Complaint. See 9 U.S.C. § 3; Cal.C.Civ.Pro. § 1281.4.

## This Court Should Compel the Irwin Entities To Arbitrate the Claims Asserted C. in Their Complaint.

Sections 3 and 4 of the Federal Arbitration Act (9 U.S.C. §§ 1-16) and the California Arbitration Act (Cal.C.Civ.Pro. §§ 1280-1294.2) dictate that the Irwin Entities be compelled to arbitrate their claims, which fall squarely within the IHE Agreement's arbitration provision. Under the FAA, written agreements to arbitrate are "valid, irrevocable and enforceable" (9 U.S.C. § 2), and the United States Supreme Court has directed federal courts to "rigorously enforce" arbitration agreements. Dean Witter Reynolds, Inc. v. Byrd., 470 U.S. 213, 221 (1985). "By its terms, the [Federal Arbitration] Act leaves no place for the exercise of discretion by a district court, but instead mandates that district courts shall direct the parties to proceed to arbitration on issues as to which an arbitration agreement has been signed." Id. at 218. Likewise, "[w]here parties have agreed to arbitrate their differences, it is the clear intent of the California arbitration statute that courts should enforce the performance of that agreement." Government Employees Ins. Co. v. Brunner, 191 Cal. App.2d 334, 340 (1961) (citation omitted).

The arbitration provision in the IHE Agreement constitutes a valid, enforceable and irrevocable written agreement to submit to arbitration the issues raised in the Complaint, and the Irwin Entities should be precluded from further pursuing those claims in this Court. See 9 U.S.C. § 2; Cal.C.Civ.Pro. § 1281.

## IV. CONCLUSION

For the reasons set forth herein, Freedom respectfully requests that the Court issue an order dismissing this action (or in the alternative, staying it in its entirety) and compelling the Irwin Entities to arbitrate all causes of action in the Complaint.

COMPELLING ARBITRATION CASE NO. C08-00472-PJH

INTRODUCTION

| This case arises out of Defendant Freedom Mortgage Corporation's ("Freedom") breach                   |
|---|
| of its obligation to repurchase numerous mortgage loans under a contract with Plaintiffs Irwin        |
| Union Bank and Trust Company ("Irwin Union") and Irwin Home Equity Corporation ("IHE").               |
| When Freedom purchased certain assets from another Irwin entity, Irwin Mortgage Corporation           |
| ("IMC"), which is not a party to this action, it assumed that contract and liabilities for loans      |
| underwritten by Freedom after the asset purchase. By its motion, Freedom purports to seek a           |
| dismissal or stay of this action in order to compel the arbitration of Plaintiffs' claims. However    |
| Freedom's papers fail to disclose certain key facts to this Court: that it has already sought to stay |
| the arbitration proceeding it seeks to compel by this motion and that it filed a separate, related    |
| case in federal district court in Delaware against two other Irwin entities, IMC and Irwin            |
| Financial Corporation ("IFC" or "Irwin Financial"), the direct or ultimate parent corporation of      |
| each of IHE, Irwin Union and IMC.   |
|   |

Freedom's Delaware complaint essentially seeks to resolve (in a different forum) the same issues present in this case—specifically, Freedom seeks to litigate the issue of whether it is obligated to repurchase the loans under its contract with IHE and Irwin Union. Most significantly, Freedom's Delaware complaint requests an order that IFC compel the Plaintiffs in this action to abandon their claims against Freedom. See, e.g., Freedom Compl. at 20. (A copy of the complaint filed by Freedom in the Delaware action is attached as Exhibit 1 to the Declaration of Jenny L. Dixon ("Dixon Decl.") filed herewith.)

Plaintiffs believe that Freedom's claims in the Delaware action and this action should be consolidated before one court, and litigated together. Freedom will undoubtedly point to the fact that its claims against IFC and IMC in the Delaware action purportedly arise under a different contract, which makes federal court in Delaware an appropriate venue and does not contain an arbitration provision. Freedom Compl. ¶¶ 13-16. The parties have engaged in informal discussions concerning consolidation, and Plaintiffs, IFC and IMC are amenable to consolidation and willing to have all of the claims go to arbitration if that is Freedom's preferred forum.

However, Plaintiffs respectfully submit that it is contrary to judicial economy and common sense to have multiple, overlapping actions in different forums.

Accordingly, Plaintiffs respectfully request that if the Court is inclined to refer this case to arbitration, Freedom be directed to bring its claims against any other Irwin entity involving these same facts in the same forum because the Irwin entities are willing to agree to a change of forum. Alternatively, if Freedom is unwilling to bring its claims in arbitration, then Plaintiffs respectfully request that Freedom's motion be denied. Further, in the event that Freedom is unwilling to have these cases consolidated, IFC and IMC intend to file a motion to dismiss, stay or transfer the Delaware action to the Northern District of California on or before April 23, 2008 because of this first-filed parallel action. What Freedom should not be permitted to do is defeat this first-filed action and then stay indefinitely the resolution of Plaintiffs' claims as it presently intends to do.

#### BACKGROUND

#### A. The Parties

Plaintiff Irwin Union is a commercial bank based in Indiana, founded more than 130 years ago. See Compl. ¶ 2. Plaintiff IHE is a consumer mortgage lender. Id. ¶ 3. Irwin Union owns IHE and is a wholly owned subsidiary of Irwin Financial Corporation. Freedom's Mem. of Points & Auth. ISO Motion to Dismiss or Stay Action ("Freedom's Mot.") at 3-4. Irwin Union also owns IMC. See Compl. ¶ 9.

Defendant Freedom is a licensed mortgage banker. *Id* ¶ 4. Freedom entered into an agreement with Irwin Financial and IMC to acquire IMC's mortgage origination assets. Freedom's Mot. at 4. Irwin Financial was a party to the Asset Purchase Agreement because, as the parent corporation of Irwin Union (which owns IMC), Irwin Financial is the indirect owner of IMC's outstanding stock.

#### B. The Transactions at Issue

In May 2006, Freedom and IMC signed a letter of intent and Freedom began conducting due diligence on IMC's business. Freedom Compl. ¶ 19. After completing its due diligence,

Freedom purchased certain assets, and assumed certain liabilities, from IFC and IMC in PLAINTIFFS' RESPONSE RE: DEF'S MOT -2- 3332893\_2 DOC

accordance with the Asset Purchase Agreement dated as of August 7, 2006. *Id.* ¶¶ 22-23. Among the assets assigned to Freedom under the Asset Purchase Agreement was a previously existing Correspondent Loan Purchase and Sale Agreement (the "Loan Purchase Agreement") between IHE and Irwin Union, on the one hand, and IMC, on the other hand, pursuant to which mortgage loans were sold to IHE and Irwin Union from time to time. Compl. ¶¶ 19-24.

The Loan Purchase Agreement required IMC (and subsequently, Freedom) to repurchase loans which were "defective." *Id* ¶¶ 16-18. "Defective" loans included, among others, those on which the first payment had not been made. *Id*. In October 2006, after the asset purchase closed, Freedom executed an Addendum to the Loan Purchase Agreement that expanded the definition of "defective" loans to include those on which the first, second and/or third payments had not been made. *Id* ¶¶ 25-28. Numerous loans that Freedom originated and sold to IHE and Irwin Union after purchasing IMC's assets and assuming the Loan Purchase Agreement were defective for one or more reasons. *Id*. ¶¶ 29-32. IHE and Irwin Union requested that Freedom repurchase these loans. *Id* ¶¶ 33-36. Freedom has refused to do so and contends that the 2006 Addendum is void and unenforceable under a variety of theories.

### C. This Action and the Related Proceedings

On January 22, 2008, IHE and Irwin Union filed the present action asserting two claims for breach of contract – the Loan Purchase Agreement – and a claim for negligence. After requesting and receiving several extensions of time, Freedom responded to the Complaint on March 13, 2008 by way of this motion to dismiss or stay action and for an order compelling arbitration.

In its moving papers, Freedom represented that "[s]imultaneously with this motion, pursuant to the [Loan Purchase Agreement] Freedom is filing a claim with the National Arbitration Forum." Freedom's Mot. at 5. What Freedom neglected to mention, however, was that its Initial Claim for Arbitration also contains a request for stay of arbitration. See Dixon Decl., Exhibit 2 (Freedom's Initial Claim for Arbitration dated March 12, 2008) at 12-13. Freedom's moving papers in this Court also failed to state that the purpose of the stay is so Freedom can obtain a resolution of its "action in the U.S. District Court, District of Delaware PLAINTIFFS' RESPONSE RE: DEF'S MOT.

(the "Injunction Action"), against [IHE and Irwin Union's] parent Irwin Financial, and IMC" that was filed on March 12, 2008. See Dixon Decl., Exhibit 2 at 4.

In its arbitration claim, Freedom characterizes its claims in the Delaware action as "seek[ing] specific performance compelling Irwin Financial to direct . . . IHE and [Irwin Union] to cease pursuing the claims that are the subject of [this] action." *Id.* Freedom goes on to explain that the outcome of the Injunction Action in Delaware should result in the dismissal of the arbitration proceeding. *Id.* 

#### **ARGUMENT**

The Loan Purchase Agreement contains a permissive arbitration provision, which provides in part that "[u]pon written request by either party ... any claim, demand or cause of action, which arises out of or is related to this Agreement ... may be resolved by binding arbitration in the State of California ... Compl., Ex. A at 22 (emphasis added). The Loan Purchase Agreement goes on to provide that the "[a]ny action between the parties relating to or arising under this Agreement shall be tried in the federal or state courts located in Contra Costa County, California." *Id*.

A number of courts have held that contract provisions containing permissive language such as the term "may" can serve as the basis to compel arbitration in light of the presumption in favor of arbitration of disputes as set forth in the Federal Arbitration Act. *See United States v. Bankers Ins Co.*, 245 F.3d 315, 320-21 (4th Cir. 2001) (discussing case law interpreting arbitration provisions using the word "may"); *Erickson v. Aetna Health Plans of California*, 71 Cal. App. 4th 646, 654-55 (1999) (same). Here, the arbitration provision is not as unequivocal as Freedom contends. Plaintiffs believe that the clear language and intent of the Loan Purchase Agreement, which mandates that "[a]ny action between the parties relating to or arising under this Agreement" be tried in this Court or the Contra Costa County Superior Court, demonstrates that the parties' intent was to have the option to arbitrate *or* seek resolution before the specified courts. This calls into doubt Freedom's contention with respect to the arbitration provision that Freedom had no role in negotiating—it just assumed the contract as part of its acquisition of

IMC's assets.

However, Plaintiffs respectfully submit that here there is a competing, and greater, policy issue at stake than that contained in the Federal Arbitration Act: the notion of judicial economy. Numerous courts have repeatedly recognized that importance of judicial economy and the problems that may arise when cases containing common facts and parties are litigated in different forums. See Pacesetter Systems, Inc. v. Medtronic, Inc., 678 F.2d 93, 94-95 (9th Cir. 1982); Alltrade, Inc. v. Uniweld Products, Inc., 946 F.2d 622, 625 (9th Cir. 1991). For this reason, courts routinely transfer, stay or dismiss cases brought in multiple forums so that all the cases can be litigated together, before a single judge in a single forum. See Alltrade, 946 F.2d at 622 (affirming district court's finding that the first-to-file rule applied and staying this action to allow first-filed action to proceed even when that action involved additional claims and parties ). Courts also give deference to the plaintiff's choice of forum in a first-filed action absent special circumstances. See Centocor, Inc. v. MedImmune, Inc., No. C 02-03252 CRB, 2002 WL 31465299, at \*3-\*4 (N.D. Cal. Oct. 22, 2002) (rejecting plaintiffs' argument that the first-to-file doctrine does not apply because the second action named additional parties in the first filed action and they would be prejudiced by adjudication of that action: "[P]laintiffs' argument ignores the fact that courts generally do not require identical issues or parties so long as the actions involve closely related questions or common subject matter."); Time Warner Cable, Inc. v. GPNE Corp., 497 F. Supp. 2d 584 (D. Del. 2007) (granting defendant's motion to dismiss case in favor of a first-filed action in Texas). Freedom may contend that the arbitration provision at issue in this action should take precedent over the first-filed doctrine. This contention is undermined, however, by Freedom's attempt to stay the arbitration it seeks to compel and to instead proceed with litigating substantially the same issues against related parties in a different forum.

Plaintiffs believe that the importance of judicial economy and the benefits of having all of the issues litigated in a single forum are equally present in this case. Plaintiffs originally filed their complaint in this Court and with these parties because Plaintiffs believed that these were the essential parties to this dispute, and that the forum selection clause for the contract at issue here provided that this case was to be brought in this Court. Plaintiffs continue to believe that this is still the right forum for this dispute, and that these parties are sufficient. Indeed, the substance of Freedom's claims in the Delaware action—that the 2006 Addendum is void—could have been (and should have been) asserted as cross-claims and litigated in this action. However, to the extent that Freedom believes other Irwin entities should be added, those entities would have been (and are) willing to consent to Freedom adding them by way of counter-claim, so that all of the issues could be heard in this Court.

Instead, Freedom chose to try to get this case moved to arbitration and stayed, and chose to file a similar action in Delaware. Freedom's forum-shopping should not be rewarded or countenanced. If Freedom wants to have all of the issues in dispute arbitrated, that is acceptable to Plaintiffs in this case (as well as IFC and IMC). Alternatively, if Freedom believes that the case should proceed in federal court, then Plaintiffs respectfully request that Freedom's motion to stay or transfer this action be denied, and that Freedom bring the claims in its Delaware case as counterclaims in this case (as noted above, IFC and IMC intend to make a similar motion in the Delaware action on or before April 24, 2008). What should not occur, however, is for this case to be transferred to arbitration and then have that arbitration stayed or moving forward at the same time as the Delaware action filed by Freedom, with the potential for conflicting results and the unnecessary burdens incurred as a result of litigating overlapping (and indeed some identical) issues in multiple forums.

<sup>1</sup> Plaintiffs, Irwin Financial and IMC believe that Freedom's claims in the Delaware action are without merit. Nonetheless, resolution of these claims in the same forum as Plaintiffs' will be most efficient and conserve judicial resources.

CONCLUSION 1 2 For the foregoing reasons, Plaintiffs respectfully request that the Court either defer ruling on this motion until the Delaware court has addressed the motion to transfer that action to the 3 4 Northern District of California or take other such action to ensure that the parties and courts do 5 not have to face multiple actions in different forums over the issues raised in this case. 6 7 Dated: April 9, 2008 WILSON SONSINI GOODRICH & ROSATI Professional Corporation 8 David J. # Summary of the Dispute

1. Claimant Freedom Mortgage Corporation ("Freedom" or "Claimant") is the victim of a bait and switch. Respondent Irwin Home Equity ("IHE") is a member of the Irwin family of companies. That family also includes Irwin Mortgage Corporation ("IMC") and Irwin Financial Corporation ("Irwin Financial"). Freedom contracted with IMC and Irwin Financial to buy substantially all of the assets of a business of IMC, including assignment of valuable rights under a contract between IMC and IHE as it existed on the date of closing (the "IHE Agreement" or sometimes the "pre-'Addendum' IHE Agreement"). However, unbeknownst to Freedom, prior to the assignment, IHE and IMC had secretly agreed to modify the IHE Agreement to deprive Freedom of its essential benefits, through a so-called "Addendum" that IHE later would force upon Freedom through unfair means. Freedom seeks an order declaring the "Addendum" void, voidable and rescinded.

# The Parties

2. Claimant Freedom Mortgage Corporation is a corporation organized under the laws of the State of New Jersey, having an address at 907 Pleasant Valley Avenue, Suite 3, Mt. Laurel, New Jersey, 08054. Freedom is an assignee of the rights of Irwin Mortgage Corporation ("IMC"), which is a signatory to the IHE Agreement. The IHE Agreement contains an arbitration clause, which is set forth below.

- 3. Respondent Irwin Home Equity Corporation ("IHE") is a corporation organized under the laws of the State of Indiana, having an address at 12677 Alcosta Blvd., Suite 500, San Ramon, California, 94583. IHE is a signatory to the IHE Agreement.
- 4. Respondent Irwin Union Bank and Trust Company ("IUB") is a corporation organized under the laws of the State of Indiana, having an address at 500 Washington Street. Columbus, Indiana, 47201. IUB is a signatory to the IHE Agreement.

# The Arbitration Agreement

5. This arbitration claim is based on the agreement of the parties to arbitrate as found in the IHE Agreement, which states in part as follows:

### Section 8.09 Arbitration

Upon written request by either party that is submitted according to the applicable rules for arbitration, any claim, demand or cause of action, which arises out of or is related to this Agreement (collectively "Claims"), may be resolved by binding arbitration in the State of California, in accordance with (i) the Federal Arbitration Act; (ii) the Code of Procedure ("Code") of the National Arbitration Forum ("Administrator" or "NAF") and (iii) this Agreement which shall control any inconsistency between it and the Code.

(IHE Agreement, attached as Exhibit A, at § 8.09).

6. The claims asserted herein arise out of and relate to the IHE Agreement, and are therefore arbitrable at Freedom's election.

# Related Lawsuits

7. On January 22, 2008, IHE and IUB (collectively "Respondents" or "Irwin") filed a Complaint in the U.S. District Court, Northern District of California (the "IHE Action"). Irwin's Complaint asserts that Freedom breached the IHE Agreement. A copy of Irwin's Complaint in the IHE Action is attached as Exhibit B.

- 8. Simultaneously with the filing of this Claim, Freedom is moving in the IHE Action for dismissal and/or stay of that action on the grounds of the arbitration clause, and to compel arbitration herein, in the IHE Arbitration.
- 9. Also simultaneously with the filing of the Claim, Freedom is commencing an action in the U.S. District Court, District of Delaware (the "Injunction Action"), against Irwin's parent, Irwin Financial, and IMC. In that action, Freedom seeks specific performance compelling Irwin Financial to direct its wholly-controlled subsidiaries, IHE and IUB, to cease pursuing the claims that are subject of the IHE Action. Freedom also seeks an order compelling Irwin Financial to buy back loans that Respondents are demanding Freedom repurchase. A copy of Freedom's Complaint in the Injunction Action (without exhibits) is attached as Exhibit C.
- 10. The Injunction Action seeks to compel Irwin Financial to require its wholly-controlled subsidiaries to abandon the IHE Action and to concede the IHE Arbitration on grounds that the "Addendum" is void. Accordingly, at the outset of this arbitration, Freedom will request that the Panel abstain from conducting further proceedings until the Injunction Action is resolved. The outcome of the Injunction Action should result in the dismissal of this proceeding.

#### **Factual Allegations**

### The IHE Agreement

11. On or about December 11, 2003, Respondents entered into the IHE Agreement with Irwin Mortgage Corporation ("IMC"). IMC is a member of the Irwin family. Like IHE and IUB, IMC is controlled by its parent, Irwin Financial.

- 12. The IHE Agreement (Exhibit A, which does not include, and is not defined herein to include, the so-called "Addendum") is a correspondent loan purchase and sale agreement. It confers upon IMC the right to sell mortgage loans to IHE under the terms and subject to the conditions set forth therein.
- 13. The IHE Agreement contains several valuable commercial terms which IMC could not obtain from any other mortgage loan purchasers or "investors" in the market. One of these terms relates to the limited ability of Respondents to demand that IMC repurchase a loan, under a condition referred to in the industry as an "early payment default" or "EPD." In specific, Article VI of the IHE Agreement provides that

Following the purchase of any Loan by [Respondents] pursuant to this Agreement, and notwithstanding the review of the Mortgage Loan Documents pursuant to Article II hereof, it will be deemed a "Defect" in the Mortgage Loan should any one or more of the following events occur in regard to a Mortgage Loan:

(d) The Mortgagor fails to make the first Monthly Payment due to [Respondents] after the Sale Date within thirty (30) days of the Monthly Payment Due Date, regardless of whether such payment is subsequently paid by the Mortgagor or if any Monthly Payment in the form of a check is returned for insufficient funds thus causing the delinquency to occur

IHE Agreement, Section 6.01(d). (Exh. A at pp. 13-14).

14. Section 6.10(d) of the pre-"Addendum" IHE Agreement is a material term that confers tremendous value upon IMC. It benefits IMC by only treating EPDs during the first 30 days (i.e., the first monthly payment) after sale of the underlying property as "defects" triggering repurchase. The EPD provision in the IHE Agreement was more favorable to IMC than EPD provisions offered by other investors, which sometimes treat EPDs during the first 90 days (i.e., the first, second or third monthly payments) after sale as defects requiring repurchase.

Page 27 of 38

15. The pre-"Addendum" IHE Agreement also requires Respondents to purchase certain mortgage loans which had been underwritten according to underwriting guidelines which were not "industry standard" guidelines. The underwriting guidelines contained in the IHE Agreement were more favorable to IMC than industry standard guidelines.

# The Irwin Companies' Secretive Negotiations and Agreement

- 16. In or about January 2006, Irwin Financial and IMC began to look for potential purchasers for IMC's business of originating and selling mortgage loans through retail. wholesale, direct lending and correspondent divisions.
- 17. Upon information and belief, in or about that same time period, IHE and IMC talked privately about making large-scale changes to key terms of the IHE Agreement. As a result, IHE and IMC reached an informal "understanding" -- not disclosed to Freedom -- that Section 6.01(d) would be amended to permit IHE to require IMC to buy back EPDs beyond the first 30 days after the sale of the underlying property. Such later EPDs would be considered as "defects" triggering IMC's repurchase obligation. They agreed to amend Section 6.01(d) to include EDPs within a time period of at least 90 days from the sale date.
- 18. This change would significantly increase the number of loans that IHE could reject as defective. As a result, the amendment would materially change the terms of the IHE Agreement; it would considerably reduce the value of the IHE Agreement to IMC and. consequently, to any assignee of IMC's rights and obligations, including Freedom.

### Irwin's Sale to Freedom

19. In April 2006, Freedom entered into discussions with IMC's parent, Irwin Financial, concerning an acquisition of IMC -- discussions which would lead eventually to Freedom's

purchase of IMC's Business (as later defined in the asset purchase agreement), and the assignment to Freedom of IMC's rights under the IHE Agreement.

- 20. On May 15, 2006, Freedom and Irwin Financial entered into a Letter of Intent for a sale of the Business. Thereafter, Freedom undertook due diligence. During due diligence, IHE and IMC informed Freedom that IHE had never demanded a repurchase of any mortgage loan sold to it by IMC and represented that there were no IMC records concerning any such repurchase demands, and IHE and IMC failed to disclose their informal "understanding" set forth in paragraph 17.
- 21. On August 7, 2006, Freedom, IMC and Irwin Financial entered into an Asset Purchase Agreement (the "APA") by which Freedom purchased from IMC and Irwin Financial substantially all of the assets of the Business, as defined in the APA. A copy of the APA Agreement (without most schedules) is attached as Exhibit D.
- 22. The closing of the sale pursuant to the APA (the "Sale") took place in two stages: The first closing of the Sale, which concerned the Operating Assets of the Business (as defined in the APA), took place effective as of September 18, 2006. The second closing of the Sale, which concerned the Warehouse Assets (as defined in the APA), took place effective as of September 26, 2006.
- 23. The IHE Agreement was one of the assets included in Freedom's purchase of the Business. The IHE Agreement was specifically listed (without reference to the "Addendum") as a "Purchased Asset" on schedule 1.1(b)(iii). Pursuant to the APA, Freedom was to be assigned all of IMC's rights under the IHE Agreement. As referenced in the APA, the terms of the IHE Agreement included neither the "Addendum," nor the informal "understanding" reached by IHE and IMC earlier in 2006.

- 24. The APA required that IMC obtain the approval and consent of third parties. including IHE, and that pending such approval and consent Freedom shall be entitled to all of the benefits of the assigned contracts including the IHE Agreement. APA Sections 6.3(b), 9.1(g),
- 25. During the entire time that IMC, Irwin Financial and Freedom were negotiating the sale, IMC continued to submit loans (totaling millions of dollars of unpaid principal balances) to IHE for purchase pursuant to the IHE Agreement. IMC submitted to IHE the original collateral documents ("Collateral Documents"), which any purchaser would require before funding a loan.

# The Irwin Companies' Misrepresentations

- 26. In the APA, IMC (identified as the "Seller") and Irwin Financial (the "Shareholder") made numerous representations and warranties to the effect that the IHE Agreement had not been amended, and that they had not instituted or permitted any material change in the conduct of the Business. See, e.g., APA Sections 4.5, 4.8 (c), 4.10 (b), 4.19 (d), 4.19 (f), 4.20, 4.25 and 4.26.
- 27. IMC and its parent represented and warranted that they had not omitted any material fact required to make the statements in the APA not misleading (APA Section 4.26).
- 28. For the time period between August 7, 2006, to the date of the Closing, the APA required IMC to "use its commercially reasonable efforts to preserve its business intact ... and to preserve current relationships with ... others having business dealing with it." (APA Section 6.1(b)(iv)).
  - 29. On September 18, 2006, IMC closed its sale of the Business operations to Freedom.
- 30. Prior to closing, without notice to Freedom, executives at IHE and IMC committed to reduce to writing, in a so-called "Addendum," their agreement to modify the terms of the IHE Agreement to the benefit of IHE and to the detriment of IMC. At the time, both IHE and IMC knew that this would prejudice Freedom as assignee of IMC's rights.

31. On or about September 26, 2006, Edwin Corbin, Senior Vice President at IHE and Vice President Home Equity Lending at IUB, executed the "Addendum."

# The Pressure Mounts On Freedom

- 32. On September 28, 2006, the date of the Second Closing, Carolyn Dabrowski of IHE sent an email to Tim Nierste at Freedom indicating that "because [IMC] is now Freedom and we do not have a signed contract with Freedom," IHE had ceased providing weekly rate changes pertaining to pricing of mortgage loans.
- 33. By this time, Freedom was awaiting IHE's response to the loans which had been submitted to IHE by IMC. Freedom also wanted to submit additional loans to IHE for purchase. per the IHE Agreement.
- 34. IHE was abnormally slow to complete its loan review process. IHE appeared to be stalling. This was a serious concern to Freedom. Freedom's life-blood is funding, from a purchaser such as IHE, in order to continue the cycle of acquiring mortgage loans and packaging them for sale to investors.
- 35. In light of IHE's delays, Freedom determined that it would seek to sell the loans to investors other than IHE. Freedom sought the return of the Collateral Documents in order for it to sell the loans to other investors.
- 36. IHE ignored Freedom's demands that IHE return the Collateral Documents. Upon information and belief, IHE advised Freedom personnel that IHE would not return the Collateral Documents until it had received an executed copy of the "Addendum."
- 37. By refusing to return the Collateral Documents, IHE prevented Freedom from selling the loans to other investors. Moreover, even if IHE had returned the Collateral Documents to enable a resale to another investor, Freedom was exposed to losses on pricing.

Freedom had priced its loans to borrowers based upon IHE's pricing, which at the time was better than that available in the general market. The market was becoming volatile. This put Freedom in a precarious position due to variables inherent in the mortgage loan market, including fluctuating interest rates and revisions to underwriting guidelines. As these factors reduced the value of the loans on the market, IHE exposed Freedom to increasingly substantial losses.

- 38. As a result of IHE's refusal to "fund or return," Freedom faced a liquidity crisis. The loans submitted to IHE consumed a portion of Freedom's warehouse line of credit. Freedom anticipated that IHE would purchase the loans, per the IHE Agreement, but because IHE would not fund them, IHE bottled up Freedom's line of credit. Freedom could not repay warehouse lines for these loans, and Freedom could not fund new loans.
  - 39. Time was not available to take any course of action other than to capitulate.

# The "Addendum" Is Forced Upon Freedom

- 40. On October 2, 2006, April Schneider, Freedom's Senior Vice President for Capital Markets, was presented with the "Addendum" by Wayne Throgmorton. Until September 18, Throgmorton was IMC's First Vice President. On September 18, Throgmorton became Freedom's First Vice President. Throgmorton indicated that he had received it from Wade Hinkle, who, as of September 18, 2006, was Associate Counsel at Freedom. Prior to that date, Hinkle worked for IMC.
- 41. On information and belief, faced with a stoppage of business unless the "Addendum" was signed, Ms. Schneider signed the "Addendum." Ms. Schneider signed the "Addendum" under sheer duress.

- 42. IHE sent Freedom letters dated February 21, 2007, April 19, 2007, May 11, 2007, June 14, 2007 and January 11, 2008, demanding that Freedom repurchase mortgage loans with unpaid principal balances totaling approximately \$ 8.3 million, pursuant to the IHE Agreement "as amended by that certain Addendum..." (Copies of the demand letters are attached as Exhibits F, G, H, I and J to Irwin's Complaint in the IHE Action, which is attached as Exh. B).
- 43. Freedom has demanded that IHE honor the IHE Agreement as it existed as of the time of Closing, without reference to the so-called "Addendum."
- 44. In the event that the Panel denies Freedom's request to have the arbitration stayed pending the Injunction Action, Freedom asserts the following claims.

# Claim For Declaratory Judgment

- 45. Freedom seeks a judgment declaring the "Addendum" to be declared void, voidable, and rescinded for the following reasons:
  - a. IHE obtained Ms. Schneider's signature on the "Addendum" through economic duress. Cal. Civ. Code § 1689(b)(1).
  - b. IHE obtained Ms. Schneider's signature on the "Addendum" by fraud. (Cal. Civ. Code § 1689(b)(1)).
  - c. IHE obtained Ms. Schneider's signature on the "Addendum" by negligent misrepresentation. (Cal. Civ. Code § 1689(b)(1))
- 46. Freedom seeks a judgment that the "Addendum" is void because it was not supported by adequate consideration. (Cal. Civ. Code § 1698).

# **Alternative Claims**

- 47. In the alternative, by pressuring and tricking Freedom into executing the "Addendum," IHE breached the covenant of good faith and fair dealing implied in the IHE Agreement that it would not frustrate Freedom's ability to exercise its rights under the IHE Agreement.
  - 48. IHE's misconduct amounts to misrepresentation and fraud.
- 49. As a result, Freedom has sustained damages in an amount to be determined and reasonably believed to exceed \$8 million.

# Third Claim

50. IHE is wholly controlled by Irwin Financial, its parent, and is accordingly bound to accede to its parent's contractual obligations to Freedom under the APA.

### DEMAND FOR RELIEF

51. Claimant Freedom seeks: (a) a declaration that the "Addendum" is rescinded, or a declaration declaring the "Addendum" to be null and void; (b) damages in an amount to be determined and reasonably believed to exceed \$8 million; (c) prejudgment interest and postjudgment interest as provided by law; (d) costs and attorneys' fees as provided under Section 8.10 of the IHE Agreement and by law; and (e) any and all other relief which the National Arbitration Forum deems just and proper.

# REQUEST FOR STAY OF ARBITRATION

52. On March 12, 2008, Freedom filed a Complaint in the United States District Court, District of Delaware, seeking an order enjoining Irwin Financial Corporation to compel its

wholly-controlled subsidiaries to cease pursuing the claims that are subject of the IHE Action.

(See Complaint, attached as Exh. C). The outcome of that action could, and should, render this arbitration moot. As a result, in the interests of efficiency and judicial economy, Freedom seeks an order holding this arbitration in abeyance pending the outcome of the action currently pending in Delaware between Freedom and Respondents' parent company.
